### Norms for Fixing Fees

- The school fee is fixed after considering several factors, such as the normal capacity of parents to pay, the guidelines provided by the CBSE and State government, the need to balance income and expense of the school on an annual basis, the need for a reserve fund, and other similar issues. The latest infrastructure provided at the school also matters much in deciding the quantum of fees.
- Fees may be revised annually as per the discretion of the managing committee. No revision is made mid-session.
- Parents Teacher Meeting is also conducted every year for fees infrastructure.
